Tracfone Training

Number Transfer Flow

- ❑ **Method 1 (Fastest):** Text **NTP** to **611611** from the TracFone device you want to port out. You will receive a text back with your Number Transfer PIN.
- ❑ **Method 2:** Dial **#PORT** from the phone. TracFone will generate the Number Transfer PIN in your account and text it to you.
- ❑ **Method 3:** Log in to the TracFone *My Account* app or website. Navigate to **Account** (or **My Profile**), find the **Number Transfer PIN** section, and click **Generate PIN**.

Simple Mobile Training

Number Transfer Flow

- ❑ **Step 1:** Ensure your Simple Mobile account is currently **active**. You cannot generate an NTP if your service is suspended or expired
- ❑ **Step 2:** Text **NTP** to **611611** from your Simple Mobile phone.
- ❑ **Step 3:** If the IMEI of the phone you are using matches the IMEI Simple Mobile has on file for your account, you will receive a text back with your 6-digit PIN within 5 minutes.

Number Transfer flow

- ❑ Open the messaging app on the phone containing the active SIM card for the number you want to port.
- ❑ Text the word **NTP** to **611611**.
- ❑ You will receive an automated text back containing your 4- to 15-digit Number Transfer PIN.

How to set up Auto Pay

- 1 From the My Verizon app main screen, Tap **Account**
Note: Must be an Account Owner

- 2 Tap **Bill Overview**

- 3 Scroll to and tap **Payment settings**

- 4 Tap **Get started**
Note: If you have a payment method currently added, it will be automatically selected as well as Paper-free billing.

- 5 Tap the **Payment date** field

- 6 Select a new payment date

- 7 Scroll to and tap **Continue**
Note: You may choose to submit a payment for your current balance by checking the **Pay my current balance of...** option

- 8 Tap **Accept & Enroll**

- 9 You've completed the steps!

- 10 **To set-up Paper-free billing**, go back to the **Payment settings screen**, scroll down to Paper-free billing & confirm the toggle is on (green).
Note: Review the Auto Pay & Paper-free billing Terms & Condition
